In collaboration with	
Name/sof Faculty Coordinator	Ms. Charmaine Dias and Mr. Vernon Desa
Stratumof Event	For TYBBA students
Name & detailsof ResourcePerson/s ifany	NA
Report	A field visit was organized for the students to IFB Industries at Verna Industrial Estate and Big Foot, Loutolim, providing them with an opportunity to connect classroom learning with real-world experiences. At IFB, students gained practical insights into industrial operations, manufacturing processes, quality control, supply chain management, employee roles, and workplace practices. The visit helped students understand how theoretical concepts related to management, production, human resources, and business operations are implemented in an actual industrial environment. Students also observed the importance of teamwork, efficiency, safety, and quality standards in organizational functioning. The visit to Big Foot, Loutolim, provided students with an understanding of Goa's cultural heritage, traditional occupations, local customs, and sustainable tourism practices. Students learned how cultural resources can be preserved while creating opportunities for tourism and community development. Overall, the field visit was an enriching learning experience that enhanced students' practical knowledge, observation skills, and understanding of business and cultural environments.
