Name of organizing Department	Department of Biotechnology
In collaboration with	
Name/s of Faculty Co ordinator	Ms. Jenica Rangel and Ms. Emma Fernandes
Stratum of Event	Departmental
Name & details of Resource Person/s if any	Ms. Chandani
Report	The Department of Biotechnology, St. Xavier's College, Mapusa, organized a Field visit to Mr. Farmer Nursery, Guirim, Goa, on 23rd September 2026 for the S.Y.B.Sc Biotechnology students. The visit was conducted as part of the practical syllabus for the Skill enhancement course paper "Modern Agricultural Practices and Home Gardening." A total of 20 students participated in the trip. They were guided around the nursery by Mr. Chandani, a nursery staff member, who provided valuable insights into various plants, including their scientific names, common names, and uses. Students learned to identify different categories of plants such as showy plants, flowering plants, and fruiting plants. The students were accompanied by Ms. Jenica Rangel and Ms. Jenica Rangel, Assistant Professors in Biotechnology. During the visit, they were encouraged to record observations on the plants studied, including their scientific and common names along with their practical uses. The trip was an informative and enriching experience, allowing students to connect theoretical concepts with practical knowledge. The visit began at 11:00 a.m. and concluded at 1:00 p.m.
