Report	The students of SYBA Psychology Department, undertook a field visit to Outreach, Mapusa, Goa, on 05th October, 2026 from 2:30 p.m. to 4:30 p.m. The visit was organized by Ms. Stacy Fernandes, Assistant Professor in Psychology, and a total of 3 students participated. The students were warmly welcomed by Mr. Robert, Head of the Centre, who delivered an orientation on the work undertaken at the Centre. He described the origins of the organization, its aims, and the services it extends to the children who attend. The organization's work is structured around three principal objectives: education, health care, and nutrition for children from underprivileged backgrounds. Following the orientation, the students were given the opportunity to interact with the children and conduct a series of activities organized according to age group. The

	children participated with enthusiasm and enjoyment, and prizes were awarded to the winners. Overall, the visit was a meaningful experience for both the children and the students. Through the visit, the students gained insight into the lived experiences of the children from various socio-economic backgrounds and their struggles. They recognized that every child possesses unique interests and abilities. The visit further enabled the students to appreciate the importance of social responsibility and human connection. The visit concluded with Ms. Stacy Fernandes expressing her gratitude to Mr. Robert, the Centre In-charge, and the staff for their warm hospitality.
