Report	The Department of Mass Communication and Journalism, St. Xavier's College, Mapusa, organised a Photo Walk to the Aguada Jail Complex on 28 September 2026 as part of the Skill Enhancement Course (SEC) paper, <i>Basics of Photography</i>, for First Year students of Mass Communication and Journalism. A total of 18 students, accompanied by faculty members Dinesh Nirawdekar and Nitin Volvoikar, participated in the activity. The photo walk was designed to provide students with an opportunity to apply the photographic concepts and techniques learnt in the classroom in a real-world environment. During the visit, students explored the historic Aguada Jail Complex and photographed its distinctive architecture, vintage features, and scenic surroundings. The exercise encouraged them to experiment with composition, framing, perspective, and the effective use of natural light while documenting the site's rich historical character. The practical exposure also helped students strengthen their observation skills and

	develop a creative approach to visual storytelling. Overall, the photo walk proved to be an enriching academic experience, successfully blending classroom learning with hands-on practice. It enabled students to enhance their technical and creative photography skills while gaining a deeper appreciation of Goa's historical heritage.
